Hi LTBA folks!

I'm hoping you all can join us for the meeting on this Friday, 2pm at JACCC (Community Room), and that you can let any businesses on San Pedro know about it. We'll be meeting with Dept of Transportation around their plans for doing street and safety improvements on San Pedro St., as part of their [Vision Zero initiative](#). Hope you all can join us!

Thanks,
Kristin

p.s. thanks again for today!! Excited this EIR part of Parker Center is almost over!

4. Last Takachizu Workshop!

Takachizu, from the Japanese words takara (treasure) and chizu (map), is a "treasure map" of the stories and people of Little Tokyo. Takachizu is a public workshop focused on identifying the cultural treasures of Little Tokyo — what we value in the present in order to plan for the future. Sustainable Little Tokyo and Little Tokyo Service Center will host a closing party for the [Takachizu](#) Project on Sunday, March 26, from 4 to 6:30 p.m. in the VIDA Group Building, 249 S. Los Angeles St. (between Second and Third streets) in Little Tokyo.

After several months of collecting treasures and stories from Little Tokyo — food, gardens, housing, spirituality, cultural teachings, political organizations, people, buildings, and monuments, this project (in its current form) is finally coming to an end. Come see what we've collected, point out what we've missed, and take a final opportunity to add your treasure to the collection. Most importantly, come to have a snack and a drink, and learn about the next steps for the project!

Details:

Date: 3/26/17

Location: VIDA Group Building, 249 S. Los Angeles St.

Time: 4:00-6:30pm
